

SAMZ ENGINEERING EQUIPMENT SUPPLY  
AND GENERAL TRADING L.L.C.

Your Gateway to Industrial

# Evolution

Engineering solutions for tomorrow's industries

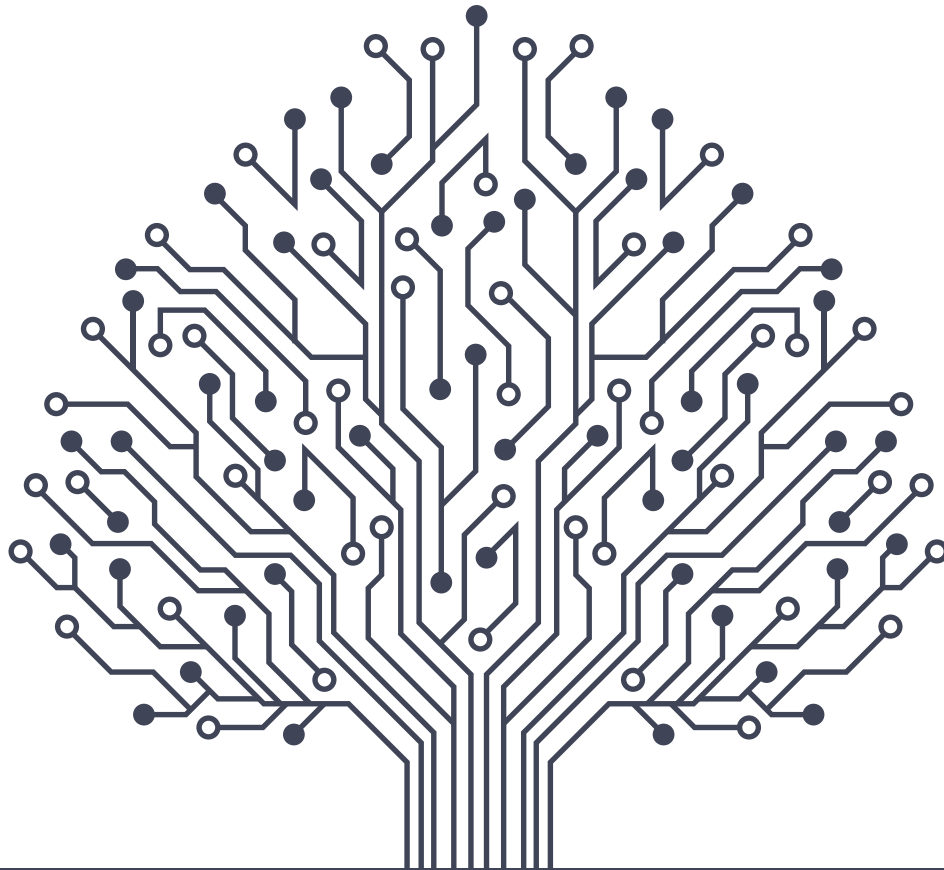

## COMPANY **PROFILE**

Our group head office, located in the United Kingdom, serves as the central hub for global strategy, corporate governance, and client relations. From here, we oversee operations and coordinate the delivery of high-standard solutions to clients worldwide.

To support our international footprint, we operate a dedicated engineering services division in India, providing specialized technical expertise and project execution capabilities. This team plays a critical role in ensuring the successful delivery of complex engineering projects across diverse sectors.

In addition, our SAMZ Engineering in the United Arab Emirates (UAE) enhances our regional presence in the Middle East. The UAE office allows us to better serve our clients in the region through local engagement, faster response times, and seamless project coordination.

Together, our strategic locations in the UK, India and the UAE enable us to offer comprehensive, high-quality solutions with global reach and local insight.

## Mission

To deliver high-quality engineering equipment and solutions with unmatched efficiency, reliability, and customer focus - empowering industries across the Middle East and Gulf region through innovation and trust.

## Vision

To be the preferred partner for engineering and industrial supply solutions in the Middle East, Gulf and Africa, recognized for our technical excellence, strategic sourcing capabilities and commitment to delivering complete, value-driven results.

## Core Values

- ✓ Integrity – Operating with transparency and honesty in everything we do.
- ✓ Customer Commitment – Delivering tailored solutions that meet real-world challenges.
- ✓ Quality – Providing only the highest-standard products and services.
- ✓ Innovation – Continuously improving through smart, forward-thinking solutions.
- ✓ Collaboration – Working closely with clients, suppliers and our team for mutual success.
- ✓ Reliability – Always delivering on time, on budget and with consistency.

At SAMZ, we specialize in the supply of high-performance instrumentation, mechanical and electrical equipment – backed by engineering expertise and end-to-end logistics. From oil & gas to construction, we provide reliable, regionally focused solutions that power industries forward.

## Why Choose **SAMZ?**

- ✓ Complete Solutions – From sourcing to delivery, we manage everything as a packaged service.
- ✓ Industry Expertise – Decades of experience serving complex, technical sectors.
- ✓ Global Sourcing – Strong partnerships with leading manufacturers worldwide.
- ✓ Reliable Delivery – On-time, every time – anywhere in the Middle East, Gulf and Africa region.
- ✓ Customer-Centric – We tailor our services to your needs, goals, and deadlines.

# OUR SERVICES

## ENGINEERING EQUIPMENT SUPPLY

Reliable supply of Engineering & Industrial Equipment, full-service support with technical insight and supply chain coordination.

## INSTRUMENTATION SUPPLY

Precision instruments for industrial measurement and control.

## MECHANICAL EQUIPMENT

Durable, high-performance solutions for demanding environments.

## ELECTRICAL SUPPLY

From cables to panels, we deliver electrical systems that last.

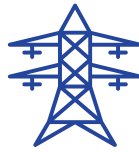

## GENERAL TRADING

Flexible sourcing of materials and products beyond engineering scope.

## Industries We Serve

Oil & Gas

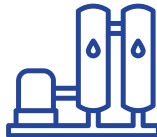

Power & Energy

Construction

Infrastructure

Water Treatment

Manufacturing

## ENGINEERING EQUIPMENT

Reliable Supply of Engineering & Industrial Equipment

- + Basic and detail engineering
- + Industrial filtration systems/ products
- + Jet venturi fume scrubber
- + Vent gas scrubber system
- + High energy venturi scrubber system
- + Packed tower gas scrubber
- + Packaged scrubber
- + Wet electrostatic precipitators
- + Kitchen exhaust scrubber
- + Boiler wet scrubbers
- + Fume scrubber
- + Foundry wet scrubbers
- + Food industries wet scrubber
- + Chemical factory wet scrubber
- + Generator wet scrubber
- + Circulation evaporators
- + Falling film evaporator
- + Rising film or vertical long tube evaporator
- + Heat exchanger
- + Distillation columns
- + Chemical equipment's
- + Drilling supply

## MECHANICAL

SAMZ delivers durable, high-performance mechanical components for various industrial applications, including:

- + Valves and Spares
- + PWHT Preheating Welding Machines and Accessories
- + Compressors, Pumps, and auxiliary equipment
- + Lab Containers
- + Pipes / Fittings
- + Mechanical Seals
- + Bearings

# PRODUCT LIST

## ELECTRICAL

We provide a comprehensive selection of electrical products, ideal for power distribution, automation and industrial installations:

- + Cables, wires and cable management systems
- + Switchgear and control panels
- + Circuit breakers and protective devices
- + Lighting systems
- + Motors, drives and starters
- + Industrial plugs, sockets and accessories
- + Fuse, relays, earthing material
- + Control panel
- + Motors
- + EV Charger (AC/DC)
- + Rectifier battery charger
- + Power regulators
- + Industrial UPS/ batteries
- + Generator
- + Energy storage systems

## INSTRUMENTATION

We supply a wide range of precision instruments for measurement, monitoring and control across industrial processes. Our portfolio includes:

- + Process instrumentation
- + Control panels
- + Control valves and actuators
- + Analytical instruments
- + Industrial automation and control systems
- + Calibration tools and accessories
- + Flow metering / Tank gauging system
- + Instrumentation valves and industrial valves, fittings, regulators
- + Thermowells, orifice plates and temperature sensors
- + Camera- and communication systems for hazardous areas

## OTHERS

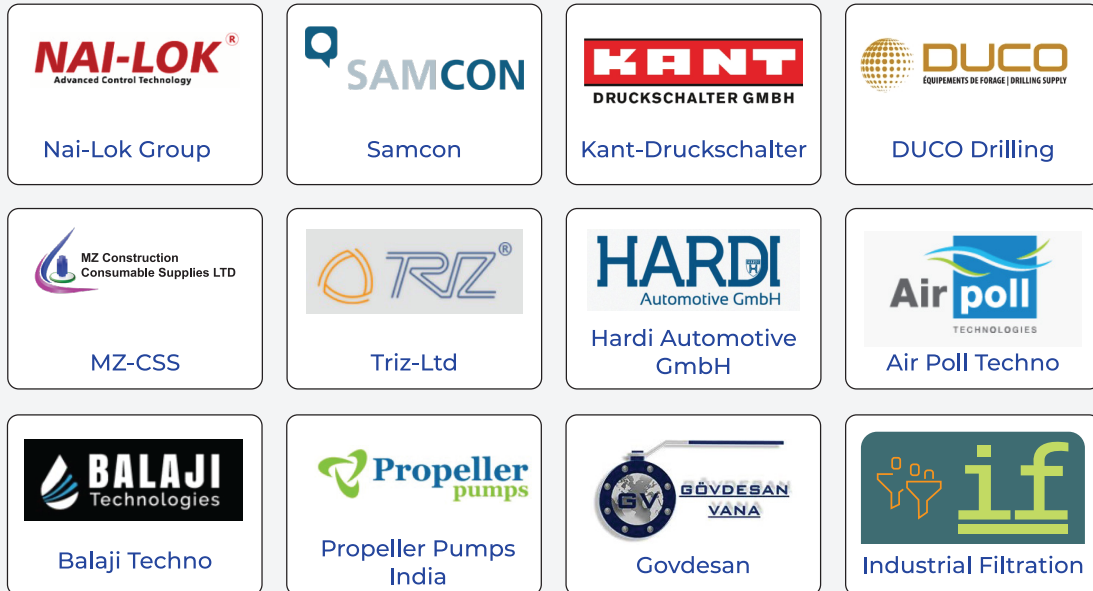

In addition to engineering supplies, SAMZ sources and trades a broad range of industrial and commercial products based on client needs, including:

- + Compressor components
- + Lube-oil and cooling water consoles
- + Gratings, railings systems & cable tray
- + Panel tanks
- + Flange guards
- + Ducting
- + Spares for maintenance, repair and overhaul
- + We handle sourcing, pricing, inspection and logistics - so you can focus on operations

# LEADING THE WAY IN INDUSTRIAL MASTERY

Supplying smart solutions across continents - with precision, reliability, innovation,  
service excellence and unmatched industrial expertise.
